Aim of Programme

The plant training and assessment short course programme enables trained quarry plant operators who have achieved a CSCS Site Dumper QQI certificate to gain recognition for their achievements and provide an opportunity for participants to demonstrate their knowledge and attitudes associated with Site Dumper quarry operations.

Learner Profile

Learners for this programme must:

- Have at least six months full time experience in a quarry operating as a trainee Site Dumper operator in accordance with the 1st Schedule – of the Safety, Health and Welfare at Work (Quarries) Regulations 2008 – S.I. No. 28 of 2008. The six months experience must be within the last two years.
- Have undertaken Quarry Safety Awareness Training including the following: Employees duties/responsibilities, Health and Hygiene, traffic management, site specific hazards / safety
- Be in possession of a valid Experienced SOLAS CSCS Site Dumper registration card and QQI certificate
- Be at least 18 years of age

Note: The above items must be verified by the current or previous employer (Part 1 of this pack)

Application Requirements

- Sections A, B and E of Part 1 need to be completed by the applicant with sections C and D completed by the employer.
- Section E must list at least six months full time experience operating as a Trainee Site Dumper operator.
- Part 2 - Endorsement of Operating Competence must be completed and submitted along with Part 1 to the chosen SOLAS Approved Training Organisation prior to attending the one-day training and assessment programme. Failure to do so will result in the learner being unable to complete the programme.
- **Learners must bring with them on the day:- a passport sized photograph and Experienced SOLAS CSCS Site Dumper registration card.**

Programme Content

Induction

Registration and induction will be undertaken at the start of the day. Candidates **must** present to the course instructor, a photograph and CSCS Site Dumper registration card. Parts 1 and 2 of the Candidate Pack must be already submitted.

Underpinning knowledge Training

Learners will undertake a minimum of 3 hours underpinning knowledge training session with the course instructor.

Subjects that the questions will be based on will be covered during the underpinning knowledge training.

Theory Test

On completion of the underpinning knowledge training session, Learners are allowed 45 minutes to undertake a multi-choice question paper. Questions will be based on subjects about:

- Legislation and regulations
- Employer and employee responsibilities
- Safe working practices
- Machine components and functions
- Correct operating techniques
- Pre-use checks and basic maintenance
- Road travel (where permitted)
- Types and characteristics of materials and loads
- Site safety
- Shut down and securing procedures

To be successful on the theory test, Learners must achieve a minimum of 70% of the total available marks. Learners who achieve a minimum of 85% will be awarded a credit.

Registration

If a candidate meets the required standard, the approved training organisation will make an application to SOLAS for a QSCS registration card. The SOLAS QSCS card is printed and posted to the Authorised Training Organisation for distribution to Learners.

Assessment Requirements

Should a Learner have any particular assessment requirements i.e. need a translator or reader/writer or any other form of special needs, the approved training organisation **must** be informed well in advance of attending the one day programme so that the appropriate help may be sourced.

Information regarding a Learner's particular requirements will be treated with the strictest confidence by the approved training organisation.
